SEASON 2

CHAPTER 14

ST: Dear Goryeong...

Jin: Mother's handwriting!

Letter: ...Following your advice, no travelling seems to be helping my recuperation.
Letter: The side scroll enclosed with this letter is the keepsake from your father that I promised to give you, so guard it well.

Letter: ...The owner of this letter is Master Shiro Wookhyeon, the lord of the manor where I'll be staying for a while, so treat him with due courtesy.

Jin: ...

Jin: So...

Jin: You people have taken my ailing mother hostage, is that it?

Mak: Impressive...
Just what one would expect from the leader of the Barkna Valley. You catch on quick.

SFX: Heh...

Jin: ...

Bubble: Crack

Mak: Then...
I'll get straight to the point and tell you about the job.

Jin: From the start, you never intended to keep your promise!

Main: It's not that I didn't intend to keep it...

SFX: Huh...

Mak: Rather, it's that I didn't think I'd need to.
Mak: This outcome wasn't what I expected at all.

Mak: I just wanted to gauge his strength...
But the swiftness who were supposed to be the bait, ended up bringing down the big who was supposed to be the prey.

SFX: Hehehe...

Mak: To be frank, I never trusted you.
But I thought that as long as I held your mother hostage, you wouldn't try anything nasty.

Mak: How you hunted him down was truly impressive.
Who'd have thought that you'd copy us and take hostages.

SFX: Hehe...

Mak: First, you misled him by abducting the people around him one by one...
Then, before he regained his composure, you overwhelmed him with numbers...
I have to admire your prudence, taking such painstaking measures despite the fact that your martial arts could defeat the Divine Heavenly Destruction techniques...

Mak: Anyway, that's why...
I'm not prepared to keep my promise just yet.

Jin: I didn't come this far to hear such excuses!

Jin: Like I said, unless you show me proof that my mother is no longer in danger...
I'll take him back with me!

Mak: Oh dear... You're even more hot-tempered than you look.
Did you even hear what I said?

SFX: Tsk...

Maik: Alright, how about this? I'll send word immediately and order the withdrawal of every man surrounding your mother. If you wish, you may send your own men to confirm it yourself. But... until confirmation arrives, all of you must be tied up and under my control.

Jin: ...
And why should I agree to such a one-sided arrangement?

Maik: Because there's no guarantee that you won't turn on me the moment your mother escapes!

Maik: But if you must head back, you do so at your mother's peril. I've given my men orders to kill her if they don't hear from me once a day.

Jin: |

Maik: You seem to keep getting the wrong idea here... In this situation, you really don't have any choice!

SFX: Huh...

Jin: One of the Four Heavenly Kings who once ruled the martial world feel safe until he has a handful of assassins tied up?
You make me laugh.

Maik: A little attempt. I won't fail for such provocation.

SFX: Huhaha...

Maik: In any case, it never hurts to be cautious.

Maik: Alright, so I take it that we're agreed...?

Jin: ...

SFX: Tch...

SFX: Clomp...
SFX: Rattle...

Maik: Right then... Why don't hold out your arms?

Jin: Can I capture that guy as quickly as possible here...
And trade him for Mother...?

Jin: ... No, I can't take that risk.
Guard... your uselessness is no help at all.

SFX: Sen Sen...

Bubble: Sweep...

Jin: |

Maik: ...

SFX: Throak...

Mask1: |

Maik: Hmm...

Mask2: Huh?

Bubble: Crash

Bubble: Slump

Maik: Oh... Are you abandoning your mother?

Jin: Well, who knows...

SFX: Huh...

Maik: ...

BT: What do you mean...?

Maik: ?!

Maik: ...
Well, don't tell me...

Maik: / see...

Maik: Oh dear...

Maik: It appears that you've managed to discover your mother's whereabouts. Then all the things you've done until now weren't in the name of caution, but were simply to buy time to rescue her?

Jin: Impressive...

Jin: Just what one would expect from a leader of the Heavenly Destruction Sect. You catch on quick!

Maik: |

Maik: That little...

SFX: Huh...

Maik: But... Were you really able to rescue her?
The men I had guarding that place wouldn't have gone down so easily...

Jin: That...

Jin: Depends on who was sent there!

Jin: ... Anyway, you should worry about yourself!

Jin: You're going to pay dearly for daring to drag my mother into this affair.

SFX: Huh...

Maik: ...

SFX: Setup...

Maik: Damned fools won't even let me have a moment of fun.

Mik: Well, if this is how it's going to be, then so be it.
SFX: Sneeze...

SFX: RUMBLE...
Bubble: Hmm?

SFX: CRACK...
Bubble: Agh!
Bubble: Ugh...

Bubble: I

SFX: Woosh...

SFX: GRAB

SFX: Shush...

SFX: Kugh...

SFX: Throck

SFX: Crash...

SFX: Cough...

Wesbok: This is...

SFX: Cuck...
SFX: Rumble

Jim: I

Jim: ...

Mik: The Blackma Valley...
Mik: I recently discovered that you've been quietly digging into us.

Mik: Whatever your purpose was...
Mik: That alone was enough to seal your fate!
